

ABAN Celebrates Family Picnic on November 19, 2016

Association of British
Alumni in Nepal (ABAN)
is a not-for-profit social

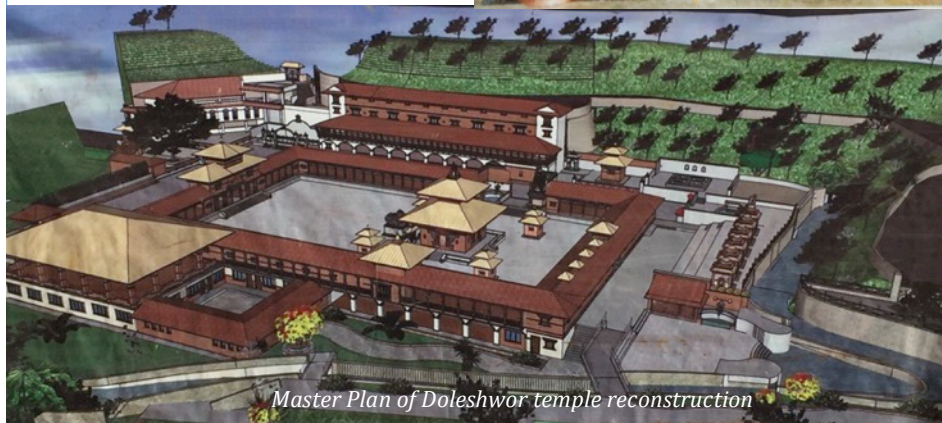

organization affiliated with the British Council,
active for the welfare of the Nepalese, who
studied in UK and pursue an interest in the
socio-economic development of Nepal.

ABAN also works for cultural and educational
exchange between Nepal and Britain.

The members and family of the Association of British Alumni in Nepal (ABAN) have celebrated an annual picnic and get-together event on November 19, 2016 outside the premise of the holy site of Doleshwor Mahadev temple in Bhaktapur district, just 17 kms east of Maitighar crossing, accessible by metaled road. The serene environment of this clean green countryside surrounded by Dolashikhar mountains is charming enough for a holy retreat and family picnic refreshment.

A stone inscription established by king Bhupatindra Malla in 1572 AD testifies the existence of this holy Doleshwor shrine, which was declared, by Kedarpithadhiswor Sri Sri Sri 1008 Jagatguru Bhimashanker Linga Shivacharya on August 22, 2009, as the head of Kedarnath temple of Uttaranchal, India.

The great earthquake of 25 April 2015 had completely destroyed the original temple of Doleshwor Mahadev, and a new master plan of the temple complex is now under construction. *Continued in page 2*
