HEALTH CAMP

A health camp was organized by the Association of British Alumni in Nepal (ABAN) in collaboration with Infertility Center. It was successfully carried out in Nagarkot, on Mangsir 17, 2068. A team of five doctors, experts in various medical faculties contributed in the health camp. They were Dr. Anil Pokhrel (Physician & kidney), Dr. Uma Srivastava (gynaecology and infertility), Dr. Piyush Raj Pandey (ophthalmologist), Dr. Sumana Pokhrel (Physiotherapist) and Dr. Srijana Joshi (Medical officer). We appreciate them for conducting free health check up at Nagarkot. We would also like to appreciate the team of Infertility Center for their support. The turn over of the people was overwhelming. Around 280 people took advantage of free medical service and medicines. We are very grateful for the different medical companies for providing the medicines and some logistics. These companies are as follows: Everest Pharmaceuticals and Times pharmaceuticals.

Some Glimpses of Health Camp:
