**SHAHIDA MACDOUGALL**

Country Director,
British Council nepal

MESSAGE

FROM THE COUNTRY DIRECTOR, BRITISH COUNCIL

Friendly connections and linkages are essential components for building trust and creating opportunities for progress and development. Here in Nepal, the British Council has been privileged and proud to be working with the Government of Nepal and membership organisations, like the Association of British Alumni in Nepal (ABAN), to develop and sustain strong partnerships to create such opportunities for over 63 years now - working together for the development of the education sector and a more inclusive society in Nepal.

British Council strongly believe that young people, especially girls and those from marginalised communities and less privileged backgrounds, should have every opportunity to enhance their skills, knowledge and networks, to become truly global citizens, learning, adapting and working across borders and without boundaries for a more equitable and peaceful world.

We are therefore particularly excited to see a significant increase in Nepali students choosing to study in the UK, benefiting from exposure to UK education and lifestyle and using what they have learned for the betterment of Nepal on their return. Our 2021 student data shows an increase of 367% compared to 2019 student numbers. We are proud of having been instrumental in contributing to these numbers through our Study UK services, our examinations, English language certifications and scholarships in Nepal.

On behalf of British Council Nepal, I would like to congratulate ABAN for all their achievements to date and thank its members for playing a crucial role by bringing together alumni and promoting the UK as the destination of choice to aspirants for over 25 years.

Looking to the future, we continue to encourage ABAN to develop and diversify its membership and representation, build new alliances and deepen ties with old friends to develop even stronger, more inclusive and productive partnership between Nepal and the UK for the next 25 years and beyond.

With all best wishes.

MESSAGE

FROM THE PRESIDENT ABAN

MS. PADMA VAIDVA

President-Association of British Alumni in Nepal - ABAN (2023-2025)

Dear ABAN members,

Furst of all, I would like to express my sincere thanks for supporting the newly elected Executive Committee of ABAN for the next 3 years. ABAN has come a long way ahead since its establishment and reached its milestone of 25 years. We are going to celebrate Silver Jubilee event on 4th February 2023. During all these years several respected members contributed their time and knowledge to make ABAN a successful institution. It helped ABAN in promoting people to people relationship between Nepal and Britain, creating educational awareness and helping the needy people with limited finding capability.

I am confident that with your full cooperation and support, we will be able to extend our wings little further creating few milestones in the field of education and social cares. I assure you that newly elected executive committee will always follow the guiding principles of our ABAN. We would like to have sincere cooperation and advice from the members to accomplish the objectives of ABAN. We would continue to maintain deep relationship ever better with the British Embassy in the coming years. We will also approach some INGO for finding our future activities.

Lastly I would like to express our sincere gratitude to outgoing members for their contribution to ABAN. I hope everyone will enjoy this AB AN magazine, a mirror reflection of our activities over the vears and means of communication between the members.

I wish everyone a success in coming years.

Thank You

MESSAGE

FROM THE IMMEDIATE PAST PRESIDENT

MR. UTTAM PRASAD PANT
Immediate Past President

Dear Members of the Association of British Alumni in Nepal,

As the outgoing President of ABAN, I convey my sincere congratulations to the newly appointed Executive Board, and express my confidence in their ability to lead our organization forward to make meaningful contribution to Nepali society.

Despite the challenges posed by the pandemic, the ABAN community has continued to thrive, leveraging the education and training we received in the UK to make valuable contributions to Nepal. This year, we introduced digitalization to our operations, which played a crucial role in maintaining our community engagement and participation.

Looking ahead, ABAN is committed to enhancing the engagement of British alumni in Nepal in our activities, and to broadening the scope and scale of our work. To this end, we will focus on increasing our membership and supporting Nepali students who wish to study in the UK.

I would also like to express my heartfelt gratitude to our members for their trust, confidence, and engagement in ABAN. It is because of your support and participation that we have been able to achieve so much over the past years, and I am confident that, together, we will continue to make a positive impact in Nepali society.

Finally, I would like to extend my appreciation to the British Embassy and the British Council for their ongoing support of ABAN. We value their partnership and look forward to continuing to work with them in the future.

Wishing you all a happy and prosperous New Year.

DR. MRIGENDRA RAJ PANDEY

Founder President, MSMT
ABAN Honorary Member

HONORING THE HONORARY MEMBERS

DR. MRIGENDRA RAJ PANDEY: Founder President of Mrigendra Samjhana Medical Trust Dr. Mrigenmdra Raj Pandey became the Life Member of ABAN on 23 October 2016 and also became the first Honorary Member by virtue of contributing an endowment fund of Rs.5 lacs to ABAN. The income of the fund will be used to serve the senior citizens of Tapasthali Briddhashram, Chapali, Kathmandu on annual basis.

Dr. Mrigendra Raj Pandey is the first Nepali to gain British MRCP award in 1959, besides DTM&H (England) in 1957, FRCP (Edinburgh) in 1969 and FFPHM (UK) by Distinction in 1992.

DR. MAHODADI PRADHAN SHRESTHA

ABAN Honorary Member

Dr. Mahodadi Pradhan Shrestha, joined ABAN and became its Honorary Member by contributing a donation of Rs.5 lacs to ABAN endowment fund on October 27, 2017.

Dr. Mahodadi Pradhan Shrestha has done Diploma in Obstetrics (D. Obst. R. COG) from the Royal College of Obstetricians and Gynecologists, London UK in 1970. She is a senior consultant in Obstetrician and Gynecology, and from Royal College of London 1970-1972. Earlier, she had obtained Fellow of International College of Surgeons in Gynecology in 1985 from Washington DC. She served as Medical Officer to Senior Consultant Surgeon (Gynecology and Obstetrics) in various Nepal government hospitals since 1964. She is a Medical Practitioner in Everest Hospital, Kathmandu since 1996 to date

MAHESHWOR BHAKTA SHRESTHA

He did his postgraduation from the University of Leeds, UK majoring in Educational Administration. He also holds M.Phil degree from Kathmandu University and M. Ed. And B.L. from Tribhuvan University. He served as President of the Association of British Alumni in Nepal during 2013 to 2015, and as Advisor since then.

EDITORIAL

**MAHESHWOR BHAKTA
SHRESTHA**

Past President, ABAN

I have the pleasure to present an updated ABAN Membership Directory 2023 on this auspicious occasion when ABAN is celebrating its Silver Jubilee in this 25th year of its existence since 1998. I wish to thank Executive Members Uttam Lal Pradhan, Gobinda Neupane, Madhav Bhatta, Meenu Shrestha Hada, Sanjeevani Shrestha, Rabindra Bajracharya, Purna Bahadur Chemjung, Ghanashyam Khadka and Lok Bhattarai for helping to update ABAN Life Member's contacts for the new Directory.

The Association has a glorious history to be proud of. It's a membership based organization and as the number of members is increasing, a new edition of ABAN Membership Directory is needed to include the new members joining in since January 2019, when the last issue of the Directory was published. The Directory in three chapters, i.e. Alphabetical listing, ID Number-wise listing and Professional expertise -wise listing will facilitate better networking for greater exploitation of the member's special talents and experiences gained in the UK for the overall development of Nepal.

The Association has listed only Life Members and Honorary members, as Ordinary annual members never renew their membership. As on January 2023, the Association has 384 Life members, including 7 Honorary Members. Out of them, some 90 members were not in contact, perhaps due to change of contact numbers, some of them were out of the country and 18 members have expired so far. Nevertheless, more than 250 Life members in contact are a great talent resource of the Association. New members joining are welcome, as more members mean more hands and brains to serve and more resources to work with in achieving the lofty objectives of the Association.

Twenty eight new Life Members have joined the Association since January 2019. There are still thousands of potential members, who studied in the UK and have yet to join the Association. The Chevening scholars have their own organization and some of them have joined ABAN. Greater cooperation between these two Associations is needed to strengthen them and to work together.

I have enjoyed serving ABAN also as Editor for its various publications for almost a decade now and sincerely hope that my efforts have played their role to enliven and strengthen ABAN.

MR. GOBINDA NEUPANE
General Secretary, ABAN

OPINION

OF THE GENERAL SECRETARY

I am pleased to get this opportunity of writing my opinion/message for the Membership Directory 2023 of the Association of British Alumni in Nepal (ABAN). I feel fortunate to be a General Secretary of such a professional network who are trained, educated and experienced in the United Kingdom and contributed to our nation.

I always respect your selfless dedication and contribution of the ABAN members to attend the organizational goals and contribution to build relationship between Nepal and UK. Apart from professional contribution, ABAN members deliver social services to the needy communities with their dedication and contribution. I would like to thank you to senior ABAN members and Executive Bodies who envisioned and brought to this organization to this level and handed over to 13th EC. There is a greater challenges ahead to the new team and make a significant growth of the organization with excellence services for the lasting impact in Nepal. We as a new EC team with your full cooperation will certainly try to raise the entire ABAN members' Image through delivering excellent services, networking and increasing membership growth.

As always, ABAN aspires to continue to enhance the engagement of UK educated alumni in its activities and broaden the scope of its work. The potential of wider sectoral expertise of Abanians, Alumni would be focusing on sharing experiences through organizing talk programmes and sharing reports/documents through digital means as much as possible. ABAN would be a good forum to the newly graduated Abanian to expand their networking and skill transfer.

I am very hopeful to get your full cooperation and support to make ABAN a significant organization/network in days to come.

Association of British Alumni in Nepal

Introduction

The British government has funded studies in Great Britain for Nepali students and scholars under schemes administered through the British Council for decades and recently some limited annual sponsor through Chevening scholarship. These schemes have covered many fields important for the development of Nepal. In recent years, an increasing number of Nepali students are studying in Britain on private funding also.

The Association of the British alumni covering the whole range of specialization has provide a forum for building on these studies as well as increasing educational and cultural relationships between Nepal and Britain. The Association of British Alumni in Nepal (ABAN) is registered in the Chief District Officer's office Kathmandu on February 4, 1998 under registration number 547/05/55 as an autonomous non-government organization.

Objectives of ABAN

The Association has the following objectives:

- a) Strengthen Professional, Educational, Cultural and other relations between ABAN members and the British Professionals,
- b) Take up necessary steps for proper use of special knowledge and skills acquired by ABAN members in UK for the professional activities in Nepal,
- c) Promote the knowledge of British education for its proper use in the important sectors of Nepal's development,
- d) Create opportunities for discussion on issues of national interest like environment protection, regional and international cooperation,
- e) Ensure that the relevant government agencies of Nepal recognize and grants due status and privileges to the qualifications and trainings gained in the United Kingdom, and
- f) Represent and protect the professional interest of ABAN members.

Funding

The Association will raise funds through membership fees, donations, advertisement in publications, grants from sponsors and other fund raising activities. Such fund will be used for:

- Administration of the Association
- Organize, seminar, workshops, exhibition, social gatherings,
- Publish newsletter, magazine, directory
- Any other purpose as decided by the Executive Committee in the interest of the Association.

Membership Types

Any person who has studied in Britain for academic studies or vocational training for 12 weeks or more will be eligible for membership of the Association.

Membership fees for 2016 are as follows:

Life Membership: Rs.5,000/- one time

Honorary Member: Any person who has donated cash or equivalent worth more than rupees one lakh (Rs.100,000) to ABAN or any person who has made a special contribution to the Association can be recognized as Honorary Member by the decision of the Executive Committee.

A unique certificate, a promising career!

Request for Expression of Interest from Schools

Government of Nepal, Centre for Education and Human Resource Development (CEHRD) and British Council announces submission of expression of interest from schools in Nepal to participate in the International Schools Award for 2019-20.

The British Council International School Award (ISA) is a benchmarking scheme that accredits and recognizes schools as having an outstanding level of support for embedding global themes into their curriculum and improving standards of education and teaching.

Working towards the award will link your school with partner schools across the globe so you can work together on joint curriculum projects that deal with global issues. Teachers benefit by sharing best practice with one another, so improving teaching and education standards in the school and country.

The award is open to any school, so what are you waiting for, don't get left behind!

Eligibility criteria for participation

Any recognized school offering any curriculum, government, semi-government, private and international is eligible to apply for ISA. The minimum requirements include basic infrastructure in the school, at least one computer with internet facility and at least one teacher with adequate working knowledge of the English language.

This award is endorsed by the Department of Education in Nepal since June 2012, now Centre for Education and Human Resource Development (CEHRD).

Please submit your Expression of Interest by visiting our website www.britishcouncil.org.np by **31st March 2019**. Only selected schools will be invited to attend the orientation workshop.
